DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 14 April 2005 has been entered. Claims 3-5 and 12-17 are pending.

Response to Amendment

2. Applicant's amendments to the claims appropriately address the rejection of claims 3-5 and 12-17 under 25 U.S.C. §112, second paragraph. Accordingly, this rejection is withdrawn in view of Applicant's amendment.

Allowable Subject Matter

- 3. Claims 3-5 and 12-17 allowed.
- 4. The following is an examiner's statement of reasons for allowance: In view of Applicant's numerous amendments to the claims, removing the indefiniteness issues under 35 U.S.C. §112, second paragraph, Applicant's arguments filed 11 August 2003 have been reconsidered and are persuasive. The prior art of record fails to expressly teach or fairly suggest the specific combined functionality of the DLL file, primary dump file, and default dump file, as

recited in claims 12 and 15 and the specific combined functionality of the DLL file and the dataaccepting processing function group, as recited in claims 13 and 16.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
